Office Action Summary

Art Unit 1754

Unless supplied in an application data sheet (ADS) (see 37 CFR 1.76), the Oath or Declaration must identify the foreign application on which foreign priority is being claimed by specifying the application number, country, day, month, and year of its filing as required by 37 CFR 1.63(c). Since the original patent contains a claim for foreign priority, such claim must be repeated in the reissue application in order to retain priority to the earlier effective filing date. MPEP § 1417.

This reissue application was filed without the required offer to surrender the original patent or, if the original is lost or inaccessible, an affidavit or declaration to that effect. The original patent, or an affidavit or declaration as to loss or inaccessibility of the original patent, must be received before this reissue application can be allowed. See 37 CFR 1.178.
